Explanations

Holiday Care
During the Easter, Pentecost and summer holidays, holiday care is offered at the Rothenburg primary school.

After-School Care Centres
After-school care centres are day-care centres in which especially schoolchildren, are educated and supervised in the afternoons and during the holidays (e.g. also homework supervision), sometimes also before school starts.

Nursery
Day nurseries are day care centres in which children under the age of three are educated, cared for and looked after by pedagogically trained staff.

Kindergarten
Kindergartens are day care centres, in which especially children from the age of three to school, are educated and looked after by pedagogically trained staff.

Lunchtime Supervision
In the midday supervision, school children are looked after in the school until around 2 p.m.

Afternoon-Care
In the afternoon care school children are looked after at school until around 4 p.m.

Pedagogical focus
In addition to the conventional pedagogical focus,
- the Evang.-Luth. Parish of the Holy Spirit offers Montessori pedagogy in the Kindergarten "St. Leonhard" (Rappelkiste).
- The day-care centres "Alter Stadtgraben", "St. Leonhard", "Am Herterichweg", "AWO-Kinderhort" and "Heckenacker (Modul)" have nursery facilities.
The "Kindergarten St. Johannis" (Erlbacher Straße) offers normal childcare as well as integrative care places (places for children who are disabled or at risk of significant disability and therefore have a special need for support).

Midday care for schoolchildren is provided by the "AWO day-care centre" in Topplerweg and Ansbacher Straße, and by the kindergarten "St. Leonhard" (Rappelkiste).

Most schools in Rothenburg offer some sort of full-time care.

**Day Care**

In day care one person looks after up to 5 other children, possibly alongside their own children. Care is usually provided in the so-called childminder’s apartment.

**Responsible body**

Responsible body is an institution that provides personnel and material resources for services, e.g. provides for childcare. The day care centres in the city of Rothenburg ob der Tauber are all run by independent charities, which are:

- Catholic Church: 1 facility (St. Johannis kindergarten in Erlbacher Straße)
- Evangelical Lutheran Church: 4 institutions (Nursery and kindergarten "Alter Stadtgraben" (old town), "St. Leonhard -Rappelkiste", "Kindergarten in Heckenacker")
- Workers' Welfare (AWO): 2 facilities (day care centres in Topplerweg and Ansbacher Straße, Kindergarten "Am Herterichweg")
- Creglingen youth welfare: primary school holiday care, full day care in various schools

**Waldkindergarten**

In the forest kindergarten, children between the ages of three and six are educated, cared for and looked after. Most activities take place outside of fixed buildings, mostly in the forest.

**Data Protection**

Completing this questionnaire is anonymous and voluntary. Your information will be collected and used provided by the city of Rothenburg o.d.T. exclusively for planning the childcare offer.
